SUMMARY

Motivated and detail-oriented Full Stack Developer with a certificate in Full Stack Development from the University of Minnesota (April 2025). Backed by over a decade of leadership experience, I bring a strong background in problem-solving, cross-functional collaboration, and delivering excellent customer experiences. Known for working effectively with teams to meet goals and drive results. Excited to apply my technical skills to create user-centered applications that make a meaningful impact.

TECHNICAL SKILLS

Languages & Frameworks: HTML, CSS, JavaScript, TypeScript, Node.js, React

Databases: MongoDB, PostgreSQL

Tools & Libraries: Express, GraphQL, Bootstrap, Vite, Insomnia

PROJECTS

Realtor Website | <https://github.com/DevynJohnson/Real-Estate-Website> | <https://www.elisejohnsonrealtor.com/>

- Summary: Professional website for a Twin Cities based realtor designed to be her primary web presence
- Role: Sole author
- Tools: React, Vite, JavaScript, HTML, CSS, Bootstrap, Express, JSON Web Token, MongoDB, Mongoose

README File Generator | <https://github.com/DevynJohnson/readmeGenerator> |

- Summary: A useful command-line application automating the creation of detailed and professional README files for projects.
- Role: Sole author
- Tools: JavaScript, Node.js, Inquirer, fs/promises, Markdown

Virtual PEX | <https://github.com/DevynJohnson/virtualPEX> | <https://virtualpex.onrender.com/>

- Summary: A virtual picture exchange communication board designed to allow non-verbal or speech delayed children to communicate their wants and needs.
- Role: Group project, back-end setup (created server and connected database) and React component creation
- Tools: React, Vite, JavaScript, HTML, CSS, Bootstrap, Express, JSON Web Token, MongoDB, Mongoose

Rock, Paper, Scissors | <https://github.com/DevynJohnson/RockPaperScissors> | <https://devynjohnson.github.io/RockPaperScissors/>

- Summary: Originally built as a JavaScript logic challenge, this application was expanded to include a front-end interface in order to practice web development fundamentals.
- Role: Sole author
- Tools: HTML, CSS, JavaScript, Bootstrap CSS, Local storage

EDUCATION

Certificate, Full Stack Web Development: University of Minnesota, Minneapolis MN | 2025

B.S., Business Management: Western Governors University, Salt Lake City UT | 2018–2022

High School Diploma: Tartan Senior High School, Oakdale MN | 2002 – 2006

PROFESSIONAL EXPERIENCE

Owner/Operator

2024-Present

Buns of Wheel Burger Company LLC

Twin Cities, MN

Founder and sole operator of a Twin Cities-based food truck specializing in smashburgers and Midwest-themed specialty burgers.

Key Accomplishments:

- Independently manage all aspects of the business, including client relationship management, event booking, licensing and permitting in compliance with state and local regulations, recipe development, equipment procurement, inventory management, and financial tracking—including taxes and reporting.
- Set up and maintain a point-of-sale system to ensure efficient daily operations and accurate sales tracking.
- Established a professional email domain and created a business website to support online presence and customer engagement. Maintain consistent branding and marketing efforts across Facebook, Instagram, and LinkedIn.
- Collaborate with other local small businesses and food truck owners to co-host events, drive community engagement, and boost sales for all participating vendors.

Campus Director of Nutrition

2022–2024

Martin Luther Care Center

Bloomington, MN

Led the dietary department at a skilled nursing facility serving approximately 130 residents across transitional care, long-term care, and memory care units.

Key Accomplishments:

- Recognized with a peer-to-peer award for fostering a culture of collaboration and teamwork between the dietary and nursing departments within the first six months.
- Redesigned the meal service process to address common resident concerns, significantly improving food temperature and delivery timeliness.
- Overhauled dietary staff workflows and implemented structured daily, weekly, and monthly cleaning schedules to uphold sanitation standards and ensure ongoing compliance with state and federal regulations.

Restaurant Manager

2020–2022

B52's Burgers and Brews

Inver Grove Heights, MN

Managed front-of-house operations, including staffing, scheduling, customer relations, and inventory for beer, wine, and liquor.

Key Accomplishments:

- Leveraged extensive industry experience to actively support staff during peak times, enhancing customer satisfaction and team morale.
- Regularly filled in as bartender and server in addition to management duties, demonstrating flexibility, leadership, and a commitment to delivering exceptional guest experiences.
